

## CEO Transition Articles/Abstracts

Article	Source	Topics Covered	Abstract
Managing CEO Transitions	McKinsey	<ul> <li>Key lessons from CEOs regarding transitions</li> <li>Goals/objectives/legacy</li> <li>Assessing culture</li> <li>Prioritization/focus areas</li> <li>Leadership team building</li> <li>Communications</li> </ul>	A series of discussions with CEOs who have undergone periods of transition from around the world; lessons on how to make the best use of this time of change, during which new performance expectations can be established more easily and new organizational norms are cast.
<u>Leadership</u> <u>Transitions - After</u> <u>the Handshake</u>	HBR	<ul> <li>CEO succession</li> <li>Board of Directors engagement</li> <li>Variables that impact transition process</li> <li>Outgoing CEO role</li> <li>Leadership teams</li> </ul>	A startling percentage of new CEOs fail within their first 18 months, sometimes due to making poor strategic moves, and sometimes due to the board making an imperfect choice by overestimating a candidate's abilities or hiring someone whose skill set doesn't fit the context. CEO transition is not a simple onboarding process. Instead, it's a longer process of interactions both formal and informal, planned and impromptu. It should begin when the board's choice accepts the position and last for months after he or she arrives. The outgoing CEO, CHRO and board all have key roles to play in the process.

How to	INC	CEO transition	One of the most important factors in a successful leadership
Communicate		communications	transition is effective communication. New CEOs often
During a		<ul> <li>Leader communications</li> </ul>	underestimate the time needed to engage with primary
Transition		<ul> <li>Setting CEO objectives</li> </ul>	stakeholders and don't understand that communication is a crucial
		<ul> <li>Identifying stakeholders</li> </ul>	part of their job description. This article outlines 3 key essential
		<ul> <li>Message development</li> </ul>	elements of an effective new leader communication effort.
<b>CEO Transitions</b>	FTI	<ul> <li>Organizational impact</li> </ul>	Leadership change in a company affects their enterprise value.
	Journal	<ul> <li>Managing risk</li> </ul>	Whether this is positive or negative depends largely on measures
		<ul> <li>Investor CEO</li> </ul>	taken by boards and CEOs in the months leading up to — and
		assessment	following — the change. Recognizing this environment, boards and
		CEO transition roadmap	new CEOs must act before, during and after a leadership change to
		CEO communications	manage the risk, while setting the agenda for the future.
What It Takes for	TLNT	<ul> <li>Setting formal transition</li> </ul>	A study outlines how many CEOs fail to meet their objectives during
<u>a New CEO to</u>		goals and objectives	their first 18 months, and how systemic failure has nothing to do
Make a Successful		<ul> <li>Transition process</li> </ul>	with competence, knowledge, or experience, but instead ties to
Transition		elements	how the CEO transition was orchestrated and whether major steps
		<ul> <li>Board of Directors</li> </ul>	were missed. The article shares several objectives and goals to
		engagement	make a successful leadership transition, including vision, alignment,
		<ul> <li>Organizational culture</li> </ul>	accountability and culture.
<u>Ten Key</u>	lvey	CEO succession	How to manage the succession process to achieve the best possible
Dimensions of	Business	Board of Directors	leadership transition outcomes. "When properly planned and
Effective CEO	Journal	engagement	thoughtfully executed, CEO succession offers a company far more
Succession		<ul> <li>Aligning strategy</li> </ul>	than just the transitioning of its top leader. It enables organizations
		<ul> <li>Setting a timeline</li> </ul>	to envision new opportunities for growth and realign and
		<ul> <li>Selecting the CEO</li> </ul>	strengthen processes and systems throughout the enterprise."
